

A pic of Luka playing with a young child in child day care center or shopping center was found.

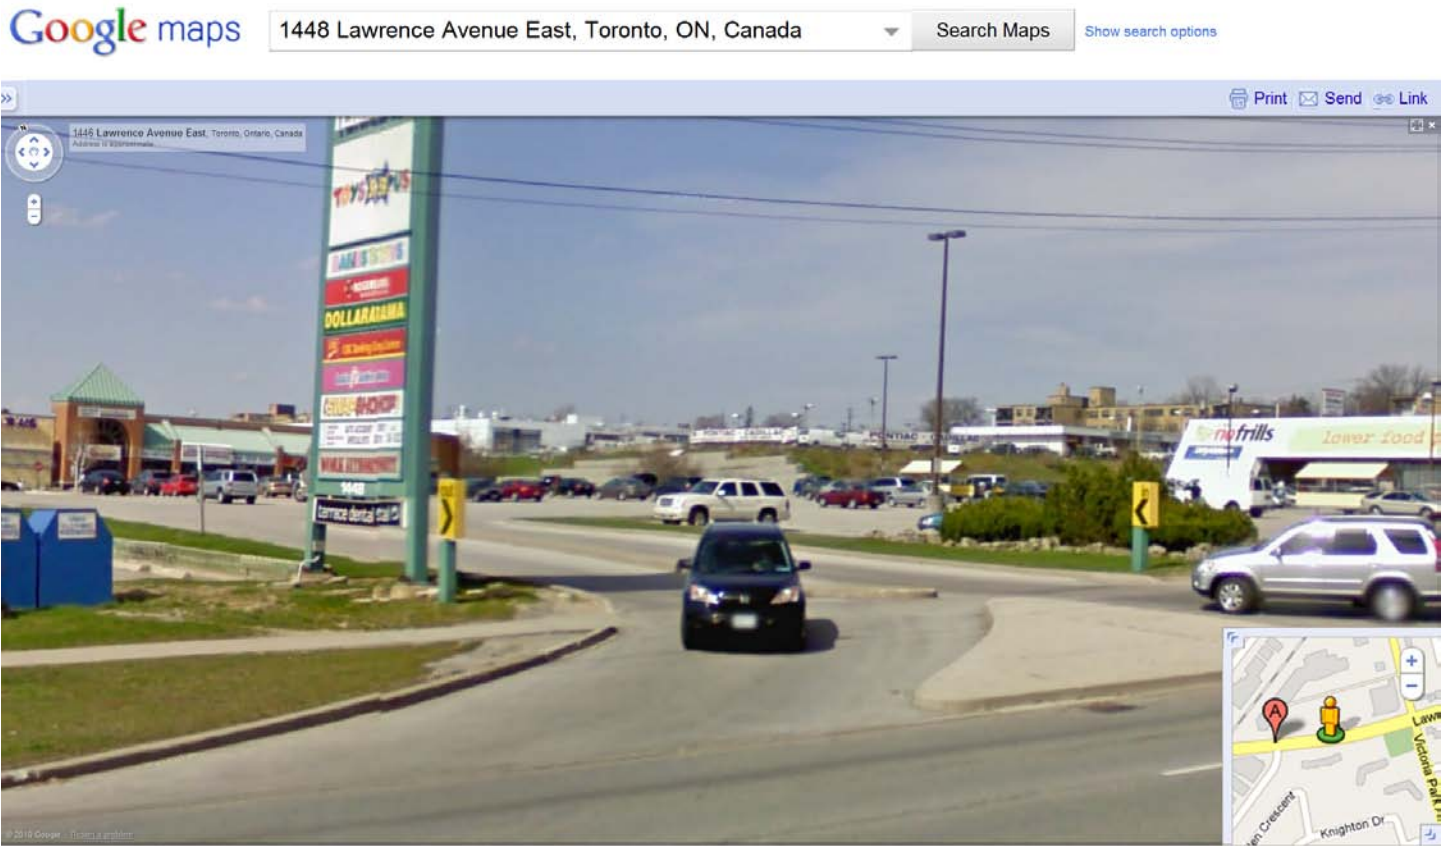

Looking at the background, you see an advertisement for a car dealership that has a website called [carcitydirect.com](http://carcitydirect.com) which is actually City Buick located at 1900 Victoria Park Ave., Toronto, ON.

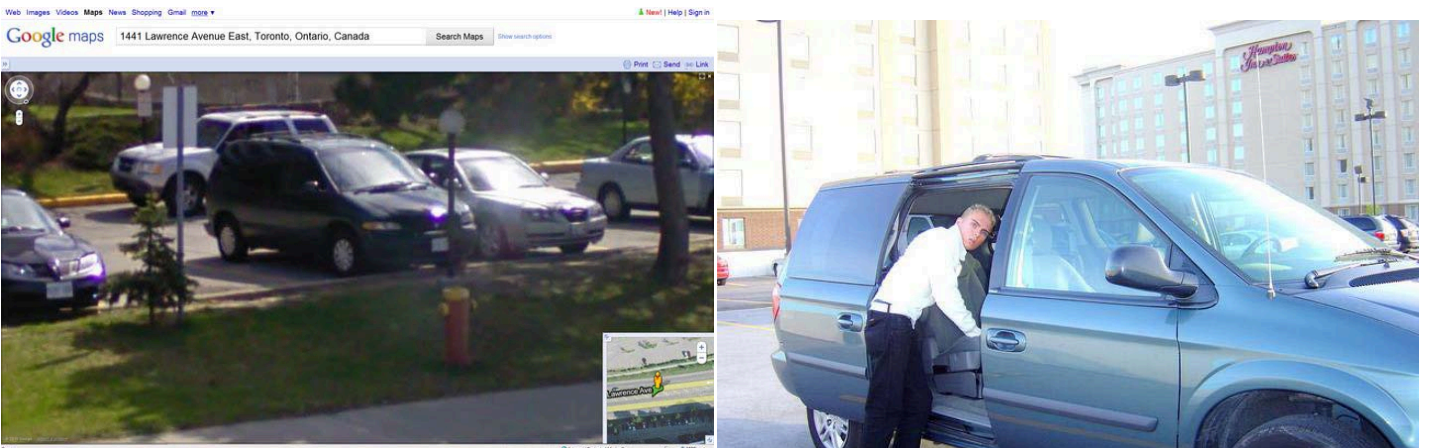

Using Google maps, we located the car dealership and then searched for daycare centers nearby. By chance, there is a daycare center located in a shopping center which turned out to be the one in the picture of Luka and is located at 1448 Lawrence Avenue East, Toronto

Directly across the street from this shopping center is an apartment building called Summit Place, and there is a green mini-van in the parking lot in the "street view" that is very similar to one we have seen pictures of Luka in.

Summit Place is located at 1441 Lawrence Ave East, Toronto, ON. Looking at Summit Place's website shows us pictures inside apartments that look very similar to an apartment that Luka is seen in a few pics.
